

OCT 22nd 95

Dear Daniel, you have no idea how I have felt these few years that have gone by. I must confess to you and your children, that I Yesenia Retino Gonzalez murder your wife Patricia Toland Wiloughby. You might ask your self why I did this horrible crime, well Dan I had a few reasons:

1. She used to bother me a lot
2. Because I wanted Theresa Hayden
3. Because I wanted you to be mine and just mine.

Back in May 1992 when I testified against you well knowing that you have nothing to do with the murder of your wife, I was under the influence of a drug and well instructed by Mr Steven Mitchell prior to my testimony I want ask you to please forgive me for causing you to be apart from your children who you love very much and the children you spent a lot of time and stress how much you love them, and now what they're going thru with out you. I don't want to be selfish anymore, and too I want to have my conscious at peace and make me a better person in the eyes of our lord, by retestifie again if is possible and this time face the outcome and let god be my judge.

) Dan I Don't want to go in detail of how I did the murder because I don't feel good remembering the nightmare of Rocky point Cal... 23rd 91 Saturday late afternoon.

Please forgive me

Always yours,

Jessica Williams

P.S. IF you can please send me
Big Mommy's phone number or give
the name and number to your attorney
Tom Terry and have him give it to me
he used to phone Tony asking where I
was but Tony was afraid to tell him
this is why I want his number so I
can call and talk to him.

Take care and May God Bless you,
and your children

Smile now and don't be sad anymore now
I want you to have hard feelings towards me
everything is going to be ok you're going
to be back with your children soon and for
me god only knows what awaits.

I'M VERY SORRY !!
