Dear Mr. Willoughby:

It is my distinct honour on behalf of the Association in Defense of the Wrongly Convicted to inform you that the Board Members of AIDWYC on January 16th voted unanimously to endorse your case.

Rubin was present and once again confirmed that he will be attending at least a part of your second trial.

I want you to know your case was not a hard sell. Richard Gierloff had kindly prepared a two page summary which I had emailed to all our Board Members prior to the meeting. David Bayliss who had been reviewing your case on our behalf was disappointed he was not able to make the meeting. He had closing arguments to prepare for a murder case.

Mr. Gierloff has been notified of AIDWYC's decision as have Dr. and Mrs. Pomeroy and Mr. and Mrs. Drange, David Granger will be emailed the news today.

AIDWYC will consider any suggestions that Mr. Gierloff should have regarding our support and help in your case.

Sincerely,

Win Wahrer
Executive Secretary/Aidwyc
